

Open Source Software (OSS) Components used in the product

The product contains, among other things, OSS developed by third parties and licensed to you under OSS License Terms. The OSS is protected by copyright. Your rights to use the OSS beyond the mere execution of the software product are governed by the relevant OSS License Terms.

Your compliance with the OSS License-Terms will entitle you to use the OSS as foreseen in the relevant OSS License Terms. In the event of conflicts between the terms of Unify's license and the OSS License Terms, the OSS License Terms shall prevail with respect to the OSS portions of the software provided by Unify.

A list of the OSS contained in this product and the corresponding OSS License Terms are available below.

The OSS portion of this product is licensed royalty-free (i.e., no fees are charged for exercising the licensed rights).

Warranty regarding further use of the Open Source Software:

Unify provides no warranty for the OSS contained in this device, if such programs are used in any manner other than executing the OSS as intended by Unify. The licenses listed below define the warranty, if any, from the authors or licensors of the OSS.

Unify specifically disclaims any warranties for defects caused by altering any OSS program or the product's configuration. You have no warranty claims against Unify in the event that the OSS infringes the intellectual property rights of a third party.

Technical support, if any, will only be provided for unmodified software.
