## RoHS Compliance Statement

Our products will continue to meet the requirements of all relevant directives, including those of RoHS (Directive 2011/65/EU with Annex II amended by Directive 2015/863/EU) if /where applicable. Any of our products affected by or coming into the RoHS scope for the first time, as a result of the inclusion in the directive 2011/65/EU of product categories 8, 9 or (the new) 11, changes to the exclusions or changes to exempted applications, will meet these new requirements from their due dates, or enable a finished product into which they may be incorporated to do so.
