DeskPhone CP400T**

Intuitive, space-saving and convenient

The ergonomically designed, user-friendly and economical devices of the OpenScape Desk Phone CP TDM telephone family are equipped with a wide variety of functions. They can be easily and conveniently operated, without having to make any compromises in the crystal-clear audio quality or performance.

Interoperability

The OpenScape Desk Phone CP TDM family provides for interoperability between the office telephone and other devices via USB which makes these telephones a high-performance communications center.

Acoustics

OpenScape Desk Phone CP TDM works with the latest advances in the field of acoustics, and thus offers superb voice quality in the hand-held unit and hands-free mode.

All models are standard-equipped with a high-quality hands-free feature. In addition, all models offer a connection option for professional headsets.

Phone models

The OpenScape Desk Phone CP TDM phone family comprises the following phone models:

- *OpenScape Desk Phone CP200T*
- *OpenScape Desk Phone CP400T*

Product family

The OpenScape Desk Phone CP TDM phones give you fast and convenient access to the wide range of Unify communication platform features via the tried and tested UP0/E system interface with extended CorNet-TS protocol. New software versions for the phones can be updated via the corresponding management systems.

OpenScape Desk Phone CP200T
